## MARCH NEWSLETTER

February 28, 2022

### ASH WEDNESDAY

On March 2, the church will change its focus from being called to follow Jesus as disciples and learners in the time after Epiphany, to a time of rededicated focus on relationship with God through Jesus Christ. **Ash Wednesday** is a solemn day of prayer that begins the season of Lent. On this day we confess our sin in a litany of repentance. During Lent's forty days we are invited to carry out the Lenten discipline, practices of fasting, prayer, and works of love, even as we accompany people around the world who are preparing for baptism at Easter. On this day we may receive the sign of ashes. This ancient symbol of repentance reminds us of our mortality. Returning to God's mercy and grace, marked with the cross of Christ, we make our way through Lent, longing for the baptismal waters of Easter, our spiritual rebirth. Join Saint Andrew's Lutheran Church this **Ash Wednesday, March 2, at 7:00 p.m.** Worship will be in-seat in the Centrum, or you may join via Zoom. If attending via Zoom, stop by the church to pick up a Lenten Mid-week Worship Kit, found in the gathering space. For more information or to have a kit delivered to your house, contact Pastor David.

## THAT SENIOR PASTOR'S MUSINGS

*[Jesus] said to them, "Come and see." ~John 1:39*

What I love about Saint Andrew's Lutheran Church comes down to Faith, Fellowship, and Service. Over the past two years those who participate in the life of this congregation, whether they identify as members or not, have demonstrated a faithfulness that runs deep.

Certainly, worship by Zoom has been a challenge. The recommendations for the sake of safety have felt burdensome. The many ways this nation, this congregation have been asked to shift their practice have been daunting. Yet, the people of Saint Andrew's have been faithful in worship, and in ministry.

Still, many have commented that when they returned to worship in the Centrum for the first time, their experience of fellowship, of community, of the music, of worshipping together brought out an unexpected emotional experience. As a pastor of this congregation, please know that I look forward to the day when we can gather without the recommendations that have been in place these past two years.

At the same time, many conversation partners have noted a sense that this congregation has been committed to one another, to fellowship, precisely in living into the recommendations. Wearing masks in worship, maintaining physical distance, neither are fun. At the same time, living them shows this congregation's commitment to serve others.

Speaking of service, during the Congregational Meeting, I presented a video that featured brief quotes from nearly every ministry that reported in the Annual Report. There are other ministries that have not written for the report. Several people have noted that after seeing the video, they have a sense of inspired awe. Amid all the challenges these past

two years have presented, this congregation has carried on amazing ministry locally and globally. The video was really the work of all who call Saint Andrew's Lutheran Church their spiritual home. View it (again) at: <https://tinyurl.com/2021Ministry>.

As I write this, the news media have noted that with declining infections across the country, the Centers for Disease Control are preparing new guidelines. I personally look forward to what those guidelines may mean for each of us and for this congregation.

At the same time, I am deeply mindful that this congregation includes people who have a wide range of risk awareness. For reasons of health, for children too young to be vaccinated, for immunocompromise of any sort, some seek to minimize risk. Others are more open to risk. Saint Andrew's Lutheran Church needs to be a community that honors all people. In addition, there are some who elect to worship via Zoom for myriad personal reasons. They are no less church; they are worshipping as fully as those who attend on-site.

As this congregation, this nation, this world, marks the second anniversary of the pandemic, it is important to acknowledge what these past two years have been, celebrate the resilience this congregation has shown in the face of the pandemic, and prepare for life beyond pandemic guidance. I certainly pray that day is near. In the meantime, I pray that our journey through Lent as church opens anew the eyes of the faithful to the truth of God's faithfulness, mercy, compassion, forgiveness, and love.

Won't you come and see?

Yours in Christ,  
Pr. David Frerichs (he, him, his)

## LOAVES AND FISHES

Our gratitude to the awesome volunteer team who helped feed the hungry on Sunday, January 23 at Loaves and Fishes. Thank you to bakers Patti Skinner, Carol Braaten, Holly Heidlage, Stephanie Lee, and Maureen Coy for donating cookies and brownies.

Also, thanks to Bobette Rose, Dawn Lessiack, Sarah Larson, Nova and Ron Berg, and Jenine Loesing for planning, preparing, packaging, and delivering the meals. One hundred twenty "to-go" meals were prepared for distribution.

We are grateful to the serving team who distributed meals: Clara Smith, Vic Heus, Judith Panko, Gwen Gray, Gary and Alex Taylor, Lauren Lessiack, Charles Farrow, and Susan Goldammer.

We are thankful for the congregation's donations and support as we continue to feed those in our community who are in need. Monetary donations to support this ministry may be made directly to St. Andrew's Lutheran Church. We are looking for volunteers to bake, cook, or distribute meals each month.

Meal distribution begins at 4:00 pm at Wilkes Boulevard Methodist Church. The next opportunity is Sunday, March 27, 2022.

If you are interested, please contact Susan Goldammer or Jenine Loesing.

We remember the words of Jesus . . . *just as you did to one of the least of these . . . you did it to me.*  
Matthew 25:40.

## FROM OUR ASSOCIATE PASTOR

In the coming year, we will be working towards a new vision. One that I hope to have all your feedback about. During the cottage meetings I heard a lot about the hopes that people have for the congregation and the concerns they have as well.

The cottage meetings varied in the information that was covered. This is what I got from them. Saint Andrew's wants to become more welcoming, affirming, and embracing. We want to begin to walk alongside those in our community and help them in their lives. This is important and an item that I was to highlight. It means that we have a goal – something to focus on as we begin to create a new vision for what our community of faith looks like.

The vision that I hope to bring to the faith formation is this – one where we learn about relationship with God and with one another. We were saved by Jesus's actions on the cross and were freed from the fear of death and what that means for our future. Being freed from this gives us the

ability for us to walk with those in need. Those in our community, those in our nation, and those in the world. To help us learn about our relationship with God, I hope to have faith formation that will help you deepen your understanding of God and help you unbox the boundaries that all of us put on God and how God works in the world.

This is not something that I can do alone, but something that we have to do as a community. As a community we need to discern and figure out a focus for our ministry and our lives. To do that we need to re-imagine what we see in the world. We can deepen our relationship with God and others through intentionality and effort. We can ground ourselves in who we are as God's children and bringing about God's plans for the world to the here and the now. As new opportunities for learning come up, I invite you to attend. Help us walk this path together.

-Pastor Alfi

## LISTEN EVERYWHERE TECHNOLOGY COMING SOON

Watch for information about Assistive Listening Technology soon to be installed at Saint Andrew's Lutheran Church! After years of research to identify the best options for assisting people to hear during worship, Pastor David and Paul Boomer have proposed, the Memorial Committee recommended and the Congregation Council approved using money from Bill Cooper and Averil Cooper's Memorial Funds to purchase a system that covers several technology options. Watch this brief introductory video: <https://tinyurl.com/StAndrewsHearing>.

In short, for those who struggle to hear during worship, this system offers opportunity to hear by multiple means. For those who do not have smart phone technology, there is a radio frequency transmitter with receivers. The receivers can be fitted with an over-the-ear speaker or they can be fitted with a near field loop compatible with a t-coil in one's hearing aid. For those with a smart phone, this system will allow up to 1,000 users to download the Listen Everywhere app to their phone, then connect to their hearing aid by way of Bluetooth. Either solution will allow the listener to hear only the microphones that have spoken word (Pastor Alfi,

Pastor David, the pulpit, the handheld microphone, etc.).

This technology is not limited to those who have hearing aids. Anyone with a smart phone may download the app, then connect to their personal earbuds (wired or wireless) to hear more directly the sound from the voice microphones. This can also be useful for parents who need to roam the building with an active child and want to hear what is happening in worship. Those whose hearing loss is not substantial enough to warrant a hearing aid, but who want an assist, this system is available.

We do not know exactly when the equipment will arrive, nor when we can get it installed and tested, but when the time comes, you will know.

## AFGHAN REFUGEE FAMILY DONATIONS UPDATE

Thanks to all who have so generously donated to the Afghan Refugee Project! Please note that financial donations are still requested as the needs of the families are great and they cannot begin employment until the federal government provides work papers, which is taking a terribly long time.

In the meantime, these folks must eat, pay rent, pay utilities, clothe their families and take care of medical needs. Please designate any financial donations for "Refugees."

If you are interested in donating an item, please check this list: <https://tinyurl.com/refugee-needs>

***Please do not bring anything to church that is not on the list!!***

## MEET LITTLE BITS: GROWING HOPE LENTEN OFFERING - MARCH 20

The four C's – conflict, covid, climate change, corruption – continue to make it difficult for smallholder farmers overseas to feed their families. Thus, the need continues for rural people in the world to learn ways to support their families through agriculture. Growing Hope Globally's programs teach agriculture development to overseas farmers.

You can support a Growing Hope Globally farmer for as little as \$55 – and help that farmer be food secure for life! Watch your home mailboxes for a special reminder about March 20 and see a picture of Little Bits when a baby.

Meet "Little Bits" – the local goat who says "every little bit" helps overseas families learn how to feed themselves through agriculture. Make a person food secure for life for only \$55! Little Bits fit into a 5-gallon bucket and needed to be bottle fed

because her mother was a first-time mom and rejected this twin. With food and love, Little Bits is now healthy and thriving at Linda Vedder's farm.

## PASTORAL CARE AND PRAYERS

Over the years ministry has changed in many ways. At one time, if one were registering at the hospital, and provided the name of your church, the hospital staff would contact the pastor. Changes to health privacy law have stopped that

practice. It is necessary for people or their family members to contact their pastor directly.

What members can trust is that when they call the church or a pastor's phone number, and ask for a pastoral visit of any kind, the pastors of Saint Andrew's will do everything in their power to show up. If they cannot be present, they will make arrangements for the other pastor to be present. At times, individuals comment that they would have called but they know the pastors are busy. Please know that we will make time for you, and if we cannot we will make arrangements.

At Saint Andrew's Lutheran Church there is a robust team of individuals who pray for the needs of others. This congregation bears witness to this reality each Sunday morning during worship.

Please contact the church office (office@saintandrewslutheran.org, 573-449-5674) with the following information.

The **Date** of the request;

**Who** are we praying for;

The **joy or concern** being raised;

Who the request is to be **shared with**: Pastors; Small Prayer Group; Online Prayer Group; the Congregation (prayers of the church in public worship);

Be sure to note whether there is a **desire for a pastoral call** (by telephone or in-person);

**Your name** as the one requesting prayers;

Your **contact information** (phone number or email address).

*Pray in the Spirit at all times in every prayer and supplication. To that end keep alert and always persevere in supplication for all the saints. ~Ephesians 6:18 (NRSV)*

## LUTHERAN WORLD RELIEF SCHOOL BAGS

It's time to begin our 2022 LWR School Bag Project! Help is needed cutting material for the bags and sewing the bags. We could also use more material.

If you would like to donate material, we use washable light weight twill, denim, canvas or corduroy but not drapery fabric. (1 ¼ yards of 60" fabric will make four bags.)

We will be cutting the material in the Fellowship Hall on Tuesday, March 8th at 1:30 pm.

If you can help, please let Linda Vedder know.

Thank you, Saint Andrew's for your continued support!

## LENT MID-WEEK

Over the past couple of decades I have found it helpful to slow down occasionally to listen carefully for God, and for what God is up to around me. Perhaps you have a similar experience. Sometimes I take retreat. Other times, I engage meditation.

During Lent this year, the mid-week worship services will be just that kind of slowing down, setting aside time for quiet, engaging a variety of spiritual practices. Most of all the mid-week services will be a time to listen for God in our midst.

The theme this year is **“Turning toward God’s Abundance”** and will focus on five divine attributes: faithfulness, mercy, compassion, forgiveness, and love.

Beginning March 9, these services will begin on **Wednesday evenings at 6:15**. Note that this is a new worship time in response to requests to accommodate transition from work. Participants may join on-site, in the Centrum, or may attend via Zoom. Zoom attendees may pick up a resource kit to support your worship.

To join by Zoom, use the worship link on the [SaintAndrewsLutheran.org/online-events](http://SaintAndrewsLutheran.org/online-events) web site.
